EVENT INFORMATION

On behalf of the Saskatoon Industry Education Council, we invite you to join our virtual event, **CONNECTED: Young Women Exploring Careers**, on Thursday, November 4th, 4:30 - 6:30 pm. If you are not sure what you want to do after high school or would like to “pick the brains” of women who are well into their careers, then this event is for you!

**CONNECTED** links high school females with women mentors from a vast spectrum of career backgrounds. We believe that young women need access to adult role models who are willing to share their stories and career pathways. Ultimately, promoting a culture of support and empowerment as they navigate their preferred future. We welcome students pursuing all post-secondary pathways: work, university, college, or apprenticeship and those who are still deciding.

Throughout the evening, the students will interact with other female students and several “mentors” from our community as they hear the stories, career goals, and life lessons from the mentors and share their own future plans. Our virtual CONNECTED event will empower and create connections between successful women and young females.

This event gives young females the opportunity to:
- Receive career advice and guidance from professional women
- Develop career connections
- Explore various career options

In addition, we are excited to announce the **Mary Davies Empowerment Scholarship**. Mary was a member of our Connected planning committee for many years and left a lasting impact on us with her positive outlook on life and welcoming nature.

We will award one scholarship of $500 to a deserving student who registers for and attends Connected. To be eligible to receive the award, students are asked to submit a short write up answering the following:

1) Student full name and school they attend
2) What does empowerment mean to you?
3) Describe how someone or something has empowered or been a positive influence in your life. (no names necessary)
4) Describe how you could use this award to add empowerment or educational training to your career path?

Email submissions to Michelle@saskatooniec.ca before Monday, November 1st at 4:00 pm.
