

Dear Student,

The Saskatoon Industry Education Council, in partnership with Saskatchewan Polytechnic, is excited to present to you the opportunity to explore the world of 3D printing with a focus on CAD/CAM software. If you enjoy **design, drafting and computer technologies**, this is a great opportunity to get a head start on your career!

Participation in the camp opens the door for you to gain a basic understanding of 3D printing and also provide you the opportunity to engage in hands-on activities with a qualified instructor. You will be introduced to high level 3D printing equipment and meet professionals and students who share the same interests.

Application deadline is Wednesday, October 20th

Hands-on Sessions

- ALL SESSIONS WILL BE HELD IN PERSON at Saskatchewan Polytechnic (1130 Idywyld Drive)
- This program will accept up to 12 students
- Open to students in grades 10, 11 & 12
- Wednesdays from 4:30-7:30PM
 - Session #1 – Wednesday, October 27
 - Session #2 – Wednesday, November 3
 - Session #3 – Wednesday, November 10
 - Session #4 – Wednesday, November 17
 - Session #5 – Wednesday, November 24
 - Session #6 – Wednesday, December 1
 - Session #7 – Wednesday, December 8
 - Session #8 – Wednesday, December 15

COVID – 19 Information

- Masks will be required at all times while in building
- Full vaccination is required
 - **THIS IS A SASKPOLYTECH MANDATE AND MUST BE FOLLOWED**

After the application deadline you will be notified if you have been accepted into the program.

If you are interested in a career in the technology industry don't miss out on this exciting opportunity! The experience and knowledge you gain and the networks you establish will prove to be an important step in your career planning.
