

The Saskatoon Industry Education Council is excited to announce our virtual **CONNECTED: Young Women Exploring Careers** on **Thursday, April 28<sup>th</sup>, from 4:30 – 6:30 PM.**

**CONNECTED** links high school females with women mentors from a vast spectrum of career backgrounds. Throughout the evening, the students interact with other female students and several “mentors” from our community as they hear the stories, career goals, and life lessons from the mentors and share their own future plans. Our **CONNECTED** empowers and creates connections between successful women and young females. We welcome students pursuing all post-secondary pathways: work, university, college, or apprenticeship and those who are still deciding.

This event gives young females the opportunity to:

- Receive career advice and guidance from professional women
- Develop career connections
- Explore various career options

In addition, we are excited to announce the **CONNECTED EMPOWERMENT AWARD.**
