

Dear Student,

The Saskatoon Industry Education Council (SIEC) is excited to offer students an opportunity to experience the world of game development! Learn how to create your own computer game using programming and design skills. Explore logic, mechanics and visuals that all go into creating a computer game from scratch.

During the eight-week bootcamp, you will learn the skills you need to get started with game development; students will have the opportunity to design and build their own customized computer game project.

This bootcamp is designed for all skill levels. If you have never programmed before, or are looking to expand on a base knowledge of game design, then this bootcamp is for you.

Application deadline is Tuesday, October 18, 2022

Virtual sessions

- Sessions will be held via the online Zoom platform.
- A class invite will be sent out via email every Tuesday for that weeks session. It will have a direct link to join the class. PLEASE DO NOT SHARE WITH OTHERS
- The GameOn! Skills Boot Camp is open to students in grades 10, 11 and 12.
- Sessions will run from **5:30pm – 8:30pm**
- The Boot Camp will take place on the following dates:
 - Session #1 – Wednesday, October 26
 - Session #2 – Wednesday, November 2
 - NO CLASS NOVEMBER 9
 - Session #3 – Wednesday, November 16
 - Session #4 – Wednesday, November 23
 - Session #5 – Wednesday, November 30
 - Session #6 – Wednesday, December 7
 - Session #7 – Wednesday, December 14
 - Session #8 – Wednesday, December 21

Technical Requirements

- Access to own computer (Desktop or laptop)
 - You will need approximately 11GB of storage to download Unity game platform
 - Unity download instructions will be sent to you after application deadline
 - Must include webcam, microphone so you are able to interact with instructors and class
