

The Saskatoon Industry Education Council is excited to announce our **CONNECTED: YOUNG WOMEN EXPLORING CAREERS (Dinner Event)** on **WEDNESDAY, NOVEMBER 2, 2022**.

**CONNECTED** links high school females with women mentors from various career backgrounds. Throughout the event, the students interact with other female students and several “mentors” from our community as they hear the stories, career goals, and life lessons from the mentors and share their own future plans. Our **CONNECTED** empowers and creates connections between successful women and young females. We welcome students pursuing all post-secondary pathways: work, university, college, or apprenticeship and those who are still deciding.

This event gives young females the opportunity to:

- Receive career advice and guidance from professional women
- Develop career connections
- Explore various career options

In addition, we invite grade 12 students to apply for the **MARY DAVIES EMPOWERMENT SCHOLARSHIP** and for students to nominate a peer for the **CONNECTED EMPOWERMENT AWARD**.
