

The SIEC offers hands-on career exploration and skill development programs designed and delivered for youth. If you wish to be notified of upcoming events that are geared specifically towards particular interests, please complete the following survey (<https://bit.ly/SIECstudentsurvey>) or scan the QR code.

Spotlight on Careers focuses on a different sector every month through a combination of live events and online resources. Teachers can access videos and resources connected to course outcomes, while students and parents can find interactive content to help discover career opportunities in Saskatchewan.

October focuses on the **Healthcare sector** with the following LIVE events

- **Healthlink** - Wednesday, October 19, 2022, at E.D. Feehan Catholic High School (8:30 am - 3:00 pm)
 - Expose students in grades 10-12 to the increasingly varied careers in the healthcare sector
 - Includes hands-on activities and a panel of physicians sharing their educational and career journeys
- **Gairdner Presentation @ VIDO-InterVac** - Tuesday, October 25, 2022 (9:30 - 11:45am)
 - A presentation from the 2020 Canada Gairdner International Award Recipient
 - Participation in hands-on experiments at VIDO-InterVac

CONNECTED: Young Women Exploring Careers - Wednesday, November 2 (5:30 - 8:30 PM)

This dinner event links high school females in grades 10 - 12 with women mentors from various career backgrounds. CONNECTED empowers and creates connections between successful women and young females. We welcome students pursuing all post-secondary pathways: work, university, college, or apprenticeship and those still deciding.

This event gives young females the opportunity to:

- Receive career advice and guidance from professional women
- Develop career connections
- Explore various career options
