

The Saskatoon Industry Education Council is excited to announce our **Spotlight on Careers in Manufacturing & Mining**. We will host events and share industry interviews and tours. Please share this information with students interested in manufacturing & mining careers and teachers who want to integrate these educational resources into their classrooms.

---

## MANUQUEST

**When: Tuesday, November 22 (9:30 am – 3:00 pm)**

**Where: Saskatchewan Polytechnic**

**Who: Grades 10 – 12**

- Students are invited to join us to kick off Saskatchewan Manufacturing week at our **in-person** ManuQuest event exposing students to the increasingly varied careers in the manufacturing sector through hands-on activities, short presentations and tours.
  - Students will tour Saskatchewan Polytechnic's School of Mining, Engineering & Manufacturing and a local manufacturing facility where they will see industry professionals at work and hear about their careers.
  - Students attend the entire day and must find transportation to and from SaskPolytech.
  - Details of the event will be communicated to students via email.
  - Register via the QR Code or our website.
  - **Registration Deadline: Tuesday, November 15, 2022**
-
