

The SIEC offers hands-on career exploration and skill development programs that are designed and delivered for youth. If you wish to be notified of upcoming events that are geared specifically towards particular interests, please complete the following survey (<https://bit.ly/SIECsurvey2022-2023>) or scan the QR code.

Spotlight on Careers focuses on a different sector every month through prerecorded and live in-person experiences. Teachers can access videos and resources connected to course outcomes, while students and parents can find interactive content to help discover career opportunities in Saskatchewan.

November focuses on Manufacturing & Mining with the following LIVE Event:

- **ManuQuest** - Tuesday, November 22 (9:30 AM - 3:00 PM)
 - Kick off Saskatchewan Manufacturing Week with this event exposing students in grades 10, 11 and 12 to the increasingly varied careers in Manufacturing through hands-on activities and short presentations.
 - Students will tour Saskatchewan Polytechnic's School of Mining, Engineering & Manufacturing and a local manufacturing facility where they will see industry professionals at work and hear about their careers.

December will focus on the Tech Sector.
