

TEACHER RECOMMENDATION FORM

This student is applying to participate in the 3D Printing Skills Boot Camp. This student will be required to complete a number of hands-on tasks while part of the program and must be self-driven. The student must be able to cooperate with peers and instructors and be able to work in a group setting while acting in a respectful manner.

When assessing the eligibility of a student for the 3D Printing Skills Boot Camp, it is important we feel confident placing them into this type of work environment. This information will form part of the basis on which the student's eligibility for this program will be determined.

Please indicate your perception of this student based on the following chart:

	Poor	1	2	3	4	5	6	7	8	9	10	Excellent
1 Attitude												
2 Attendance												
3 Punctuality												
4 Work Habits (use of class time)												
5 Ability to stay focused on a task												
6 Work Quality												
7 Demonstrates respect												
8 Demonstrates maturity												
9 Demonstrates responsibility												
10 Demonstrates initiative												
11 Demonstrates common sense												
12 Demonstrates problem solving ability												
13 Demonstrates leadership
