

CONNECTED EMPOWERMENT AWARD

CONNECTED was created to link high school females with women mentors from our community. We believe young women need access to adult role models willing to share their stories and career pathways, ultimately creating a culture of support and empowerment between successful women and young females.

Every year at **CONNECTED**, we realize that the young women attending the event have already begun to leave an impact on our community and have inspirational stories to share as well. We invite students to nominate a peer they feel empowers and supports others in their community through their actions for the **CONNECTED EMPOWERMENT AWARD**. As we know, it does not have to be the loudest or most popular people who significantly impact our lives.

Someone deserving of the **CONNECTED EMPOWERMENT AWARD** may possess the following qualities:

- Demonstrates compassion and support for those around them
- Has a positive outlook on life and strives to lift up those around them
- Leads by example
- Creates an inclusive culture
