

GAIRDNER PRESENTATION @ VIDO

TUESDAY, OCTOBER 29, 2024

9:30 AM – 12:00 PM

U OF S CAMPUS

The Saskatoon Industry Education Council is excited to offer our Gairdner Foundation Career Exploration event. This half-day Spotlight on Careers event will include:

A presentation from the Canada Gairdner International Award Recipient, Dr. Lewis Kay, and participation in hands-on experiments at VIDO.

- Dr. Kay's research has helped us understand how flexible proteins are and why that flexibility is important for both how they work and how they can cause problems. His discoveries have revealed key areas of molecules that could be targeted by new drugs. The tools his team developed are shared freely and used by labs worldwide to study diseases like diabetes, cancer, and heart disease.
- Learn more about Dr. Kay on our website www.saskatooniec.ca/health-care

Event Info:

- This event is limited to 100 participants, with students applying individually.
- Students will attend the entire morning from 9:30 AM to 12:00 PM.
- Students will be responsible for their own transportation to and from VIDO (U of S Campus).

DEADLINE TO APPLY IS Tuesday, October 15, 2024

- Please complete the online registration – [Register Now!](#)
- Students must also complete and email the parent consent form to michelle@saskatooniec.ca

Any questions may be directed to Michelle Hardy (michelle@saskatooniec.ca) or 306.683.7777.
