Dear Student,

The Saskatoon Industry Education Council (SIEC) and Saskatchewan Polytechnic's Electronic Systems Engineering Technology Program are offering students the chance to design and program a 6-axis collaborative robot using cutting-edge technology.

This bootcamp is open to all skill levels, whether you're new to programming or looking to build on your experience.

<p style="text-align:center">Application deadline is Tuesday, March 4</p>

<u>Hands-on sessions</u>

- Sessions will be held Saskatchewan Polytechnic
- Open to students in grades 10, 11 and 12.
- Sessions will run from **5 – 8pm**
- The Boot Camp will take place on the following dates:
  - Session #1 – Tuesday, March 11
  - Session #2 – Tuesday, March 18
  - Session #3 – Teusday, March 25
  - Session #4 – Teusday, April 1
  - Session #5 – Tuesday, April 8

After the application deadline you will be notified via email if you have been accepted into the program. All sessions will be facilitated by Saskatchewan Polytechnic instructors.
