Sponsorship Opportunities

We are excited to invite your organization to be a valued partner in our upcoming workshop, *Under the Influence of Our Nervous Systems*, hosted by the Saskatoon Industry Education Council. This full-day professional development event will take place this November and will feature renowned educator and author Dr. Lori Desautels, based on her groundbreaking book *Body and Brain Brilliance*.

Designed specifically for educators, this workshop will provide brain-aligned, trauma-informed strategies to support students affected by adversity. Participants will explore practical tools to foster emotional regulation, enhance classroom connection, and strengthen relationships between students and educators.

This event offers a unique opportunity to make a meaningful impact on education and mental wellness across our community. As a sponsor, your organization will gain visibility among a committed audience of professionals who are passionate about student well-being and educational innovation.

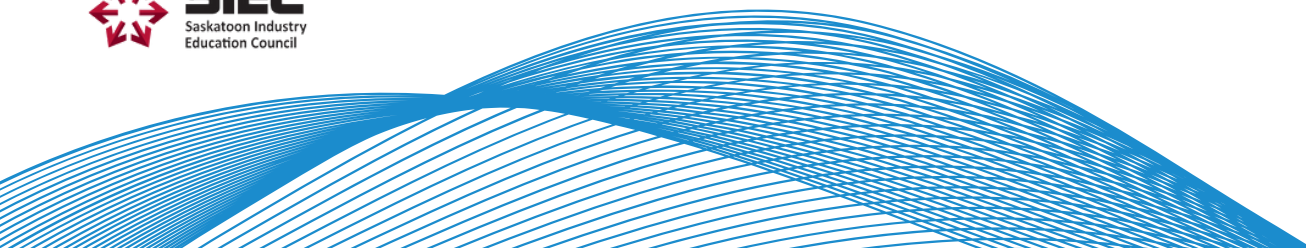

Additional information is available on our website at www.saskatooniec.ca, including a list of sponsorship opportunities on the following pages. If you have any questions or would like to discuss a customized sponsorship package, please contact Janet at janet@saskatooniec.ca or 1.306.262.5650.

We hope you will consider joining us in supporting this important initiative to build stronger, more resilient school communities through education and connection.

Thank you for your consideration.

Sincerely,

Janet Uchacz-Hart
Executive Director
Saskatoon Industry Education Council

Keynote Speaker and Workshop Facilitator: Dr. Lori Desautels

Assistant Professor, Butler University

Author | Researcher | Expert in Applied Educational Neuroscience

Dr. Lori Desautels is a leading expert in trauma-informed education and applied neuroscience. As an Assistant Professor at Butler University and creator of the globally recognized Applied Educational Neuroscience Certification, Dr. Desautels' has worked with over 150,000 educators worldwide to help transform classroom practices through brain-aligned strategies.

This year's full-day workshop, *Under the Influence of Our Nervous Systems*, is based on her latest book, *Body and Brain Brilliance*, and will focus on equipping teachers and school staff with practical tools to support emotional regulation, student connection, and trauma-sensitive learning environments.

Dr. Desautels' work is grounded in current brain science and is designed to be immediately applicable in real classrooms, making this workshop an invaluable experience for educators at all levels.

Why Sponsor This Event?

Your sponsorship will directly support a full-day professional development event attended by educators, school leaders, and mental health professionals. This is an opportunity to align your organization with meaningful progress in student mental health, teacher support, and trauma-informed education, while gaining visibility among key stakeholders who are committed to improving our schools and communities.

You can learn more about Dr. Desautels' work at:
