

3D ANIMATION BOOTCAMP

- 📅 THURSDAY, FEBRUARY 5 - MARCH 12, 2026
- 🕒 4:30 PM - 7:30 PM
- 📍 RECORDING ARTS INSTITUTE OF SASKATOON (RAIS)
- 📅 **APPLICATION DEADLINE: THURSDAY, JANUARY 15**

The Saskatoon Industry Education Council (SIEC) is excited to be partnering with the Recording Arts Institute to offer students an opportunity to learn basic knowledge of the main stages of 3D production, and tools. The bootcamp will include an introduction to the software used for 3D modelling, animation and much more. This bootcamp is designed for beginner levels.

Hands-on Sessions

- Program will accept 20 students
- Open to students in grades 10-12
- Sessions include:
 - Animation
 - 3D modelling
- Failure to attend sessions will result in removal from camp
- All skill levels welcome

SaskJobs Registration

- Bootcamp funding is provided by the Government of Saskatchewan
- All participants will be required to register with Saskjobs for a client number
- This can be done online or via email
- More info will be sent if you are accepted into program
