

If you are currently completing Grade 10, 11 or 12, looking for a summer job and are considering pursuing a career in the trades after high school; the Saskatchewan Youth Internship Program (SYIP) is for you!

**📅 JULY 6 - AUGUST 14**

**📅 APPLICATION DEADLINE: WEDNESDAY, APRIL 15**

**Steps if your application is successful:**

1. You'll be contacted by SYIP staff
2. Interviews will be scheduled
3. If hired, you will be assigned a job coach to assist in job readiness and paperwork
4. Safety training will be scheduled and provided at no charge

**Possible trades available include:**

Carpentry	Millwright	Electrical	Steel Fabrication
Plumbing	Welding	Cook	Masonry
Roofing	Sheet Metal	Horticulture	Glazier
Machining	Instrumentation	Fabrication	Painting
HVAC	Power Line Technician	Heavy Duty Mechanic	Scaffolding
Refrigeration	Automotive Service Tech	Truck and Transport	Ag Technician

For information on any skilled trade, visit [www.saskapprenticeship.ca/designated-trades](http://www.saskapprenticeship.ca/designated-trades)

**WHY SHOULD YOU APPLY?**

- Obtain summer employment
- Receive competitive industry wages
- Earn high school Apprenticeship credits
- Provided with a mentor to experience first-hand what the skilled trades are all about
- Grade 12 students may be offered full time employment at completion of program

**Mandatory Info Night**

If selected, you will be invited to a mandatory info night on **Tuesday, April 28 from 7 – 8:30pm at Aden Bowman Collegiate** with a parent/guardian.

For more information, visit [www.saskatooniec.ca/syip](http://www.saskatooniec.ca/syip) or contact Megan at [megan@saskatooniec.ca](mailto:megan@saskatooniec.ca)

Sincerely,

Megan Unrau  
SYIP Coordinator
