CONNECTED Young Women Exploring Careers
POWERED BY Métis Nation Saskatchewan

# CONNECTED EMPOWERMENT AWARD

**CONNECTED** was created to link high school females with women mentors from our community. We believe young women benefit from access to role models who share their stories and career pathways, building a culture of support and empowerment between successful women and the next generation.

Each year at **CONNECTED**, we also recognize that the students themselves are already making a difference. Many young women attending have inspirational stories and are leaving a positive mark on their schools and communities.

The **CONNECTED Empowerment Award** invites students to nominate a peer who empowers and supports others through their actions. This recognition is not about being the loudest or most well-known; it's about celebrating those whose impact is felt in meaningful ways.

Someone deserving of the **CONNECTED Empowerment Award** may possess the following qualities:

- Demonstrates compassion and support for those around them
