CONNECTED: Young Women Exploring Careers is a mentorship dinner that brings high school females together with women from a wide range of career backgrounds. Students hear real career stories, ask questions, make connections, and explore pathways they may not have considered before.

WHY BE A MENTOR?

- Your story matters.
- Whether your career path was planned, unexpected, or somewhere in between, your experiences can help students see new possibilities for their own futures.

AS A MENTOR, YOU WILL:

- Share your career journey
- Answer student questions
- Offer advice and encouragement
- Help students explore career possibilities
- Connect with other women in our community

REGISTER TO BE A MENTOR

- Please register by Monday, November 2, 2026.
- Space is limited and the event does fill quickly.
