CONNECTED Young Women Exploring Careers
POWERED BY Métis Nation Saskatchewan

MARY DAVIES EMPOWERMENT SCHOLARSHIP

CONNECTED was created to link high school females with women mentors from our community. We believe young women benefit from access to role models who share their stories and career pathways, building a culture of support and empowerment between successful women and the next generation.

Women support and empower each other in many ways, both big and small. Mary Davies, a long-time member of the **CONNECTED** planning committee, embodied this spirit through her positive outlook, determination, and welcoming nature. She left a lasting impact on everyone who knew her.

In her memory, the **Mary Davies Empowerment Scholarship** awards $500 to a deserving student who registers for and attends CONNECTED.

To be eligible to receive the award, students are asked to submit a short write-up (as a Word doc or PDF) answering the following:

1. The student's full name and the school they attend
2. What does empowerment mean to you?
3. Describe how someone or something has empowered or positively influenced your life.
4. Describe how you could utilize this award to enhance your career path with empowerment or educational training.

Scholarship Guidelines:

- *Open to students in grade 12*
- *The student must register for and attend the Connected event*

Email submissions to **Michelle@saskatooniec.ca** before Monday, November 2, at 4:00 pm.
